

Black Duck Appoints Dipto Chakravarty as Chief Product & Technology Officer

BURLINGTON, Mass., June 10, 2025 /PRNewswire/ -- [Black Duck® Software, Inc.](#) ("Black Duck"), a leading provider of application security solutions, today announced the appointment of Dipto Chakravarty as Chief Product & Technology Officer. Mr. Chakravarty brings a 30+ year track record of leading product development and technology teams with domain expertise in AI, data intelligence, cloud security and open source. At Black Duck, he will drive the product strategy, product management, and R&D of all software and cloud products.

"Adding Dipto to our team further accelerates our mission of ensuring uncompromised trust in software for an AI-powered world," said Jason Schmitt, CEO of Black Duck. "Dipto's extensive background in AI, big data, and cybersecurity technologies, combined with his proven ability to lead and inspire teams, will be instrumental in driving our next phase of growth."

Prior to joining Black Duck, Mr. Chakravarty was CPO of Cloudera where he integrated and cloud-enabled complex data platforms from a merger of data pioneers. He also previously led engineering for Artificial General Intelligence at Amazon Web Services. Also with extensive experience leading and transforming multiple cybersecurity product portfolios, his appointment as Black Duck's CPTO progresses our strategy to extend Black Duck's market leadership into the AI era.
